OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 8th September 1951

No. 42-Pres./51.—The President has been pleased to award the Police Medal for gallantry to the under-mentioned officer of the Assam Police:—

Name of the officer and rank.—Shri Manbahadur Lama, Sub-Inspector, Armed Branch, Assam Police Battalion.

Statement of services for which the decoration has been awarded.—On the 8th of May 1950 a crowd numbering about 1,500 armed with lethal weapons attacked the village of Kusiapara under Police Station Dudnal and set fire to 15 houses. The crowd then proceeded to the adjoining village Barpathar and began to set fire to the houses in that village. Shri Manbahadur Lama of the Assam Police Battalion was stationed in Barpathar along with 9 men. He advanced towards the crowd and by making intelligent and effective use of the small force available to him, managed to make 250 arrests and seized a cart-load of deadly weapons.

The commendable courage shown by this officer helped to bring the disturbances in Assam under control.

2. This award is made for gallantry under rule 4(i) of the rules governing the awards of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

No. 43-Pres./51.—The President has been pleased to award the Police Medal for gallantry to the under-mentioned officer of the Assam Police:—

Name of the officer and rank.—Shri Saidulla Hazarika, Sub-Inspector, Criminal Investigation Department, Assam.

Statement of services for which the decoration has been awarded.—On the 11th of August, 1950, Shri Saidulla Hazarika was deputed to search the house of Moneswar Rava in Police Station Goalpara. When he proceeded there accompanied by an Assistant Sub-Inspector and a few constables, he found one Kumin Rava sitting there reading some subversive literature,

The Sub-Inspector arrested him and then commenced the search of a room. The door of the room was closed and two men were seated inside. One of them was armed with a sten-gun which he pointed at the Sub-Inspector; but the Sub-Inspector fell upon him and overpowered him before he had time to shoot. The other person then joined his companion and a struggle ensued but the Sub-Inspector succeeded in overpowering his adversaries. The sten-gun was loaded and contained 32 live rounds and a magazine with 16 live bullets was also found in the room.

The action of the Sub-Inspector in effecting the capture of these persons armed with a loaded sten-gun was an act of gallantry of a high order.

2. This award is made for gallantry under rule 4(1) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in Rule 5.

IMPORT TRADE CONTROL

New Delhi, the 5th September 1951

SUBJECT:—Import of Educational Cinema Films.

No. 142-ITC(P.N.)/51.—The attention of the importers is invited to Serial No. 117 of Part IV of Appendix 'P' to the Red Book (import policy) for the July-December period.

2. It has been decided that licences for import of educational cinema films should be granted outside the quota for import of Cinema films to importers or Educational Institutions provided satisfactory evidence is produced to show that the films are Educational in nature and are required for exhibition in schools and colleges and other educational institutions. For this purpose the intended importers should furnish full particulars about the films as follows:—

- (i) Whether the film desired to be imported has been produced by a non-commercial organisation such as the various bodies of the United Nations, the Red Cross and so on? Proof in this respect may be furnished.
- (ii) Whether the importer in India is an educational institution or other similar body?
- (iii) Whether the film is being imported by a firm, which is not otherwise engaged normally in the exhibition of cinema films?
- (iv) Literature relating to the film or films sought to be imported should be furnished to the licensing authority.

3. The port authorities will grant licences with an exchange copy in cases where they are satisfied on the basis of the information mentioned in para 1 above that the film is of an educational nature. It should however clearly be understood that the grant of a licence for an Educational film will not carry the presumption that it will be entitled to entry without payment of duty. The films which are declared eligible for duty free entry by the Board of Censors on the grounds that they are educational films, will be licensed without any further formality.

RESOLUTION

New Delhi, the 7th September 1951

SUBJECT:—Inquiry into Fertiliser Transactions.

No. F.3-57/51-M.—Certain allegations of bribery and corruption were made against the Director of Fertilisers, Shri C. S. D. Swamy, in June 1950, regarding various dealings including the purchase of Russian sulphate of ammonia made on behalf of the Ministry of Agriculture, and Shri C. S. D. Swamy was dismissed from Government service in August 1950, after a departmental inquiry. Thereafter, Shri K. R. K. Menon, Secretary, Ministry of Finance, was appointed to investigate and report about the irregularities in indenting for purchase of fertilisers and their storage

and the consequences of excess purchases and accumulated stocks. After careful consideration of the report of Shri Menon and in view of the public interest aroused both in the Parliament and in the Press in this case, the Government of India have decided to hold a thorough and independent inquiry into these transactions commencing from the purchase of Russian sulphate of ammonia in 1946 up to the date when enquiry was made by the Finance Secretary to the Government of India.

2. The Government of India is pleased to appoint Mr. Justice G. S. Rajadhyaksha, I.C.S., a Puisne Judge of the High Court of Judicature at Bombay, to hold this inquiry. The Terms of Reference for the Inquiry will be as follows:—

- (a) To inquire into the transactions of purchases, handling, forwarding and distribution of fertilisers commencing from 1st July 1946, in respect of some of which Shri Swamy has already been dismissed after a due departmental inquiry, with a view to ascertain irregularities in following the prescribed procedure, or errors of judgment, or slackness of supervision, or *mala fide* dealings, etc., if any, to determine the responsibility on the part of persons other than Shri C. S. D. Swamy in respect of such faults as he may find to be established;
- (b) To inquire into the indenting, purchase and payments of fertilisers made by the Government of India after the discontinuance of International allocations from 1st July 1949 onwards in order to determine whether the prescribed procedure for placing indents, making purchases and payments was followed by the Ministries concerned, and also to determine the responsibility for failure to follow the prescribed procedure, irregularities, loss to the Public Exchequer, errors of judgment, etc., if any, of individual officers of the Government of India;
- (c) To inquire into the failure to obtain a written agreement from the Clearing & Forwarding Agents at Bombay and allowing them to utilise the monies due from them to the Government of India for their own business, and to fix the responsibility, direct or indirect, for this failure; and
- (d) To inquire into any other matter which may be germane or incidental to any one or more of the aforesaid matters relating to the Fertiliser case.

3. Mr. Justice Rajadhyaksha will have access, for the purpose of this inquiry, to all the relevant official records, and he is also authorised to call and examine such witnesses including the officers of the Government of India and State Governments as he may consider necessary. He should complete his report before 31st December 1951.
